RE: Planning Case #: VTT-70661
Project Address: 1206 W. Pico Boulevard – Tract Map for Parking Structure
Applicant: Los Angeles Convention and Exhibition Center Final EIR

Dear Mr. Irving:

At our regularly held public meeting on October 14, 2008, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to support the above-mentioned request for a Vesting Tentative Tract Map to merge two existing parcels and the easterly portion of Bond Street into one lot totaling 67,383 net square feet.

DLANC supports this request to merge these parcels to facilitate construction of a 928-space, seven-level above-grade parking structure as part of its general support for projects that are part of and consistent with the Los Angeles Sports and Entertainment District.

Please provide a copy of the decision letter to DLANC at the address listed above. Thank you.

Very truly yours,

J. Russell Brown by [Signature]
